By Capt. Ayres, who arrived here on Wedneſday laſt from London, *we have the following freſh Advices.*

LONDON, Sept. 13.

Yeſterday it was currently reported, that Admiral Haddock had taken off Cadiz, fourteen Spaniſh and French Men of War, ſunk Eight, and two got off.

It is alſo reported that the Spaniards had declared War againſt Great-Britain, in due Form.

His

His Highneſs Frederick Prince of Heſſe, Nephew to the King of Sweden, is to come over hither in the Month of November, to eſpouſe her Royal Highneſs the Princeſs Mary, Fourth Daughter to his Majeſty King George. The Nuptials are to be celebrated at St. James's; the Prince is in his 21ſt Year of his Age, and the Princeſs in her 16th.

A young Tradeſman of this City, of very good Subſtance, having been lately ſeduced by the Enthuſiaſtic Preaching of the Methodiſts, told his Father that God had revealed himſelf to him as he did to Abraham, and had commanded him to forſake his own and his Father's Houſe, and to travel in a ſtrange Country 1000 Miles on Foot; it being rejected to him, that he might be taken up as a Vagrant, he replied that was he ſure even of being put to Death, he would go nevertheleſs, for he muſt obey the Will of God; accordingly on *Saturday* was ſe'nnight he ſet out for Germany, with only the Cloaths he had on his Back, two Shirts in a Wallet, a few Guineas in his Pocket, a Woollen Cap on his Head, and a Stick in his Hand, and left his whole Stock of Goods and Effects behind him, and his Family to ſhift for themſelves.—His Friends are in the utmoſt Affliction on this Occaſion, and even thoſe very Perſons whoſe Preaching have been the Occaſion of this ſtrange Turn of Mind, blame him for his Folly; Devil like firſt tempting to ſin, and then reproaching him for falling into the Temptation.

It is reported that the Squadrons under the Command of Sir John Norris and Admiral Balchen, will welcome the French Squadron under the Command of the Marquis d'Antin, on its Arrival in the Britiſh Seas, in irs Return Home.

His Excellency John Bynge Eſq; Governor of Barbados, ſets out the 29th of this Month for his Government.

We hear that Mr. Keene and Caſtres are both ordered Home.

A Confirmation is come to the Secretaries of State, the Admiralty, &c. of the ſafe Arrival of all the Aſſogue Ships at Port St. Andero in the Bay of Biſcay, on the Second of Auguſt laſt.

Aug. 23. On Tueſday Night, a Packet was diſpatch'd from the Admiralty Office to Admiral Haddock, containing, tis ſaid, particular Inſtructions for that Squadron.

By Letter from Jamaica by the laſt Ship, we have Advice, that the Spaniards have taken off Sidlichach two trading Veſſels, & carried them into Carthagena, which are computed to be worth 22000 l. Sterling; they have alſo taken five Veſſels in the Bay of Campeachy.

It is confirm'd that Admiral Haddock has taken 2 *Spaniſh* Sattees, worth about 10,000 l. and had ſent them to Gibraltar.

The *States General* of the United Provinces of Holland have reſolved to put 12 Men of War into Commiſſion, which are to be got ready with the utmoſt Expedition.

It is ſaid there are Letters in Town, which confirm that Capt. Laws, in the Drake, had ſunk a Spaniſh Privateer in the Weſt-Indies; with the following Particulars, viz. that the Engagement laſted but half an Hour, in which time they kill'd a Number of the Privateer's Men, and at length ſhe went downright, with the remainder of the Crew; during this time there was a *Spaniſh* Man of War who fir'd ſeveral ſhot at her, but thought proper to ſheer off, ſeeing the terrible Fire made at once on both *Ships*, from her Carriage Guns, *Swivel* Guns, and *Small* Arms, that ſhe look'd (as the *Spaniards* declare) more like a Fire *Ship* than any thing elſe.

CHARLES-TOWN, Dec. 8.

We hear from Ediſto that a French *Scooner* put in there not long ago, on pretence of being in Diſtreſs, but ſhe being examin'd and found it was entirely groundleſs, they immediately ſeiz'd and condemn'd her there as a lawfull Prize.

We hear alſo from Georgia that the *Snow* Defiance Caleb Davis Commander is fitting out with the utmoſt Expedition, together with the *Sloop* Everlaſting, the Commanders of both which Veſſels have had Letters of Marque granted them (by his Excellency *James Ogletborpe* Eſq;) to privateer againſt the Spaniards.
